The two best results of the 3 manches is counted with the result of the finals. This is the final ranking.

During the final class for young horses born between 2013 and 2012 there will be extra points to be earned. Our jury will give additional points to the young horses that they consider one of the best.

When there is a tie, the vote of the jury prevails.

- Only the young horses, of those we have a copy of their pedigree papers, are included in the rankings.
- Young horses can only participate to the category of their age, all others will be placed outside the competition (HC).
