

SenTower Park

Name rider: _____

Nr boxes: _____

Instructions horses:

1. Place your horses in the allocated barn. (with or without First bedding) Do not unload any tack or equipment
2. Have your FEI Horse app ready : Temperature monitor sheet / FEI Self Certifying document /passports ready. As of 1 August 2021 this information must be submitted via the FEI HorseApp for all Events taking place in mainland Europe. EHV-1 test is not needed for the horses.
3. Bring this sheet back to the stable manager. The vet now knows he can come to your stable(s).
- 4) The vet scans the horse's microchip to confirm identity (using Bluetooth microchip reader and FEI HorseApp)
- 5) The vet checks for other signs of infectious diseases and vaccination against equine influenza, as already indicated by the Veterinary Regulations.
- 6) The groom checks the temperature of each horse using their own thermometer.
- 5) After checking, the stable / Temperature monitor sheet will receive a sticker:
 - Green (>36.5° / <38.5°) = Unloading tack and equipment
 - Orange (>38.5° / <39.0°)= On hold + recheck temperature after 1hr
 - Red = (>39.0°) Remove the horse and all in-contact horses to the quarantine stable
